### Product Net Weight

6.6kg

### Maximum Total Weight Loading

Safety Standards and testing methods vary in different countries and regions:

#### Australia/New Zealand:

22kg made up of:  
17.5kg seat  
1kg in seat back pocket  
3kg in basket (distributed evenly)  
0.5kg in cup holder

#### European Countries:

19.5kg made up of:  
15kg seat  
1kg in seat back pocket  
3kg in basket (distributed evenly)  
0.5kg in cup holder

#### China:

19.5kg made up of:  
15kg seat  
1kg in seat back pocket  
3kg in basket (distributed evenly)  
0.5kg in cup holder

#### USA:

22kg made up of:  
17.5kg seat  
1kg in seat back pocket  
3kg in basket (distributed evenly)  
0.5kg in cup holder

### Folding Mechanism

Patented equilateral, syncromeshed, internal geared fold mechanism with dual action trigger to fold.

### Folded Frame Lock

Patented automatic lock actuation frame lock. Automatically locks frame closed when stroller reaches fully folded position. Unlock by sliding the white (right-hand) trigger.

### Seat Carry Handle

Seat Carry Handle positioned in front of the crotch strap. Easy to carry position once locked in its folded position.

### Shoulder Carry Strap

30mm adjustable nylon carry strap with rubber shoulder locator. Clips on with heavy duty metal hardware. Stores in basket when not in use.

### Suspension

Independent front suspension with coil-spring over elastomer dampening system, 9mm travel.

### Tyres

Puncture proof, low profile EVA compound which is non-marking and hard wearing.

### Rear Wheels

Large 200mm, 5-arm dual radial spoke design with easy glide axles.  
Silver frost sprayed finish with integrated interference braking hub.

### Front Wheels

140mm, 5-arm dual radial spoke design with easy-glide axles.  
Silver frost sprayed finish.

### Main Canopy and Sunvisor

Two-section Main Canopy with additional two-section pop out Sunvisor.  
Double layer fabric with UPF50+ inner silver liner for sun protection and 150 denier head cover with velcro fastening tabs.  
Press button canopy removal.  
Toy hook incorporated.

### Seat

Seat fabric is easily removed for washing\*.  
Hard-wearing, easy to clean\*, 600 denier PU coated padded seat base and back fabric.  
Contrasting 150 denier side recline expansion panel with self-locking #8 "Ezi Glide" recline zips.  
Larktale custom contoured, soft-touch zipper pulls which will not unzip under load.  
Fully supported seat base (non-sling design).  
\*Hand wash only.

### Seat Position and Recline

Fully upright to maximum recline of 121 degrees.  
Two stage recline effected by two full length self-locking zips.

### Seat Recline Zippers

Self-locking #8 "Ezi Glide" seat recline zips with Larktale custom contoured, soft-touch zipper pulls which will not unzip under load.

### Seat Back Pocket

Large mesh fabric pocket with elasticised opening.  
4 litre capacity.  
Maximum load 1kg.

### Storage Basket

Waterproof, heavy duty nylon battened fabric with mesh rear panel.  
6 metal connection points for easy cleaning\*/removal.  
17 litre capacity.  
Maximum load 3kg (distributed evenly).

### Dual Linked Brakes

Integrated dual-linked braking system.  
The link operates the brakes on both sides from one "shoe saver" actuation brake pedal.  
The "shoe saver" brake pedal allows on and off to be actuated using just the sole of the shoe, perfect when wearing open toe shoes or sandals.  
Adjustable brakes with adjustment mechanism hidden inside the frame.

### Harness and Seat Belt Buckle

#### Harness:

Fully adjustable 5-point safety harness.

#### Buckle:

Patented 2nd lock system.  
2-stage sequential movement to unlock.

#### 25 mm Nylon Shoulder Straps:

3 height settings with adjustable length.  
Safety auto-release from the waist straps after unbuckling.  
Removable and adjustable wide padded shoulder pads and padded crotch strap.

### Safety Tether Strap

Permanently affixed safety tether wrist strap.

### Cup Holder (included)

Self-levelling cup holder.  
Clips to moulded locator on the frame.  
Suits up to 600ml standard-shaped water bottle.  
Moulded "grabbers" in the base hold cup or bottle safely.  
Stroller folds without having to remove the cup holder.
